PRODUCT GUIDE

GS1650MK3/V3

W&M APPROVED

TOTALISING INDICATOR

GS1650Mk3/v3 Totalising Indicator

■ ABOUT THE GS1650MK3/V3 W&M APPROVED TOTALISING INDICATOR

The GS1650Mk3/v3 is ideal for packaging & bagging scales.

Designed for Airport Baggage Weighing. Totalises from a few bags to an entire planeload with totals up to 999,999kg. The design of the GS1650Mk3/v3 ensures no multiple weighing of the same bag. Weighing must start at zero every time.

The GS1650Mk3/v3 can be used for totalising anything by weight; the multi-interval/multi range mode allows small weights to be weighed more accurately on Weights & Measures Trade Approved scales.

■ FEATURES

- Two Optional liquid crystal passengers display's available GS1020 & GS1025.
- Optional printer output prints total weight & baggage count. Includes autoprint to print every time a weight is added to the total.
- Optional Time & Date is Y2K Year 2000 compliant.
- Australian Weights & Measures approved for 8,500 divisions.
- In Domestic and International Airports through out the World TODAY.
- 10,000 division display resolution, 130,000 count internal resolution.
- Three-point linearity correction allows any installation to be accurately linearized for greatest accuracy.
- Accuracy of 1 in 10,000 and stability of 1 in 133,000 / °C assures perfect weighing every time.
- Assured quality through experience, design and in-house production control. Each indicator is shipped with a signed and numbered quality certificate.
- Gedge Systems' weight indicators are chosen by more major Australian weighbridge & scale manufacturers than any other brand – and for good reason – quality, reliability, accuracy and all Australian made.
- Meets the latest Australian & European EMI/RFI immunity and emission standards for trouble free operation.
- Every GS1650Mk3/V3 is 100% tested including one day in our temperature chamber between - 10°C and 40°C to assure the user of its accuracy and stability.

Since 1978 Gedge Systems has been Australia's Leading Manufacturer of High Accuracy Digital Indicators and Batch Controllers

CE 89/336/EEC (EMC)  N1840

■ **AWE - THE BEST IN THE BUSINESS**

AWE has built a reputation in providing world class products and services to customers from a wide range of industries for many unique applications. All the products come with AWE Quality Guarantee- giving you the assurance that they have been tested to meet or exceed the specifications and requirements of your application. At AWE, it's more than just delivering perfectly-designed equipment, it also requires a team of dedicated people who will back you up with great service and support. Any servicing, installation and technical support issues you encounter can be addressed either onsite or remotely by our engineers and tradesmen who carry qualifications as:

- Licensed Tradesmen
- Mechanical Engineers
- Electrical Engineers
- Structural Engineers
- Draftsmen
- Fitter & Turners
- Boilermakers
- Fully Qualified Scale Makers
- Electronic Technicians
- Instrument Fitters
- Electricians
- Service Technicians
- Project Managers
- Formworkers
- Concreters

Call AWE today.

If you have questions about

- **weighing equipment**
- **packaging equipment**
- **bulk materials handling**
- **componentry**

call the sales team at *AWE Group* to find the right solution for your individual needs.

■ WHO IS “AUSTRALIAN WEIGHING EQUIPMENT GROUP”

Jeff & Trevor Baillie started Australian Weighing Equipment (or AWE) in 1981, focusing on weighing solutions based on engineering principles. For nearly 40 years AWE has built its reputation as a leading supplier of robust weighing, packaging & bulk handling equipment. Our innovative engineering and continuous product developments have led to designs that will stand up to the rigours and demands of your applications.

AWE has increased its investment in manufacturing facilities with a new 3,200sq/m factory in Sydney which has

- A CNC Machine Shop
- Heavy Metal Fabrication Shop
- Larger work areas for our team of qualified tradesman

Acquisitions of Bradwood Packaging and Dendy Packaging and Design Engineering has increased our packaging and engineering experience.

In 2008, AWE established a manufacturing facility in China - AWE Group Packaging and Bulk Materials Handling Equipment, a purpose-built 5,000sq/m factory in Suzhou China (70kms From Shanghai).

All of the products we offer are Australian designed and manufactured under our strict quality control system in our own factories both locally and internationally.
